The Birth of the Prophet ﷺ 🌟

✦ *Once upon a time... nothing makes words sweeter than mentioning the Prophet* ✦

🌈 Guess what, little friends? Today we start learning about the BEST person who EVER lived - **Prophet Muhammad** ﷺ! 🌈

Imagine being SO amazing that Allah chose YOU out of all the billions of people to be His special messenger! That's how special our Prophet was! 😊

Long, long ago, Prophet Ibrahim and his son Ismail were building the **Kaaba**. While building, Ibrahim made a special prayer: 'O Allah! Please send a messenger to teach people!' And Allah said YES - that messenger would be **Muhammad**! 🕌

Muhammad's father was **Abdullah**, and his mother was **Aminah**. Sadly, Abdullah passed away before Muhammad was even born! 😞 But Allah had BIG plans for this special baby!

He was born in 'The Year of the **Elephant**' 🐘 - when mean **king Abraha** tried to destroy the Kaaba with elephants! But Allah sent tiny birds with small stones that defeated the whole army! Even giant elephants are no match for Allah!

His **grandfather** named him '**Muhammad**' which means '**The Praised One**' - loved in the heavens and on earth! ❤️ His mother had beautiful dreams of light coming from her, showing the whole world! ✨

Grandpa **Abdul-Muttalib** knew this child was special: 'He will grow up to teach the whole world!' And he was SO right! 🌍

🤪 **FUN FACT: The name 'Muhammad' is one of the most popular names in the world! Millions of boys are named Muhammad because families love the Prophet so much!**

💎 **GOLDEN LESSON: Allah has a special plan for everyone! Even when sad things happen, Allah takes care of us!**

🤲 Peace and blessings be upon Prophet Muhammad ﷺ 🤲

Halimah - The Lucky Lady! 🐪 🐫

✦ Once upon a time... nothing makes words sweeter than mentioning the Prophet ✦

Time for a story about MIRACLES and BLESSINGS! 🌈

Back then, city babies were sent to the **desert** to grow strong and healthy. Special ladies called '**wet nurses**' would care for them! 🧑

Many wet nurses came to **Makkah**, but when they heard baby **Muhammad's** father had passed away, they all said 'No!' 😞 Poor baby **Muhammad** was left behind!

But then came **HALIMAH!** ☀️ She was poor - her donkey was slow, her camel gave little milk. But her heart was kind!

She said: 'I can't leave this orphan baby behind!' And the **MOMENT** she picked him up - **MIRACLES** started! ✨

Her camel that barely gave milk? **WHOOOOSH!** 🐪 So much milk everyone's tummies were full! Her slow donkey? **ZOOM ZOOM!** 🐴 Fastest in the caravan!

When they reached her desert home - **RAIN** came! ☁️ Green grass grew! Flowers bloomed! 🌸 The neighbors were **SO** jealous!

Halimah knew: this baby was pure **BLESSING!** She loved him **SO** much! ❤️

👉 **FUN FACT:** Bedouin people are **AMAZING** desert experts! They can find water anywhere and navigate by stars! Baby Muhammad learned to be tough from them!

💎 **GOLDEN LESSON:** When you're kind to others, Allah sends unexpected blessings! Be kind and watch the magic! ✦

🤲 Peace and blessings be upon Prophet Muhammad 🌸 🌙
